Dear parishioners,  
Dear brothers and sisters in Christ,

This is regarding my letter to you of May 20<sup>th</sup> and following reception of Archbishop Albert LeGatt's memo the following day...

### **Weekend Masses of May 23 and 24**

This week, the province announced that the limit on the size of public gatherings could now increase to 25 for indoor events provided social distancing and sanitization were maintained. I therefore proceeded in informing you that beginning this weekend, 24 individuals and myself could celebrate mass on Saturday at 4 pm and likewise on Sunday at 11 am.

I must now unfortunately retract and say not this weekend, but next weekend, Pentecost Sunday, May 30-31. Archbishop LeGatt asks that we all wait another week to ensure that all parishes in the diocese are ready to implement the increase.

To repeat then:

**The limit on the size of the gathering for the Sunday masses  
of May 23 and 24 remains at 10, and not 25.**

My sincere apologies for any inconvenience.

Have a great weekend!

Father Gabriel Levesque
