Archdiocesan News

BUREAU DE L'ARCHEVÊQUE

OFFICE OF THE ARCHBISHOP

ARCHEVÊCHÉ

ARCHBISHOP'S HOUSE

February 3, 2026

Dear Sisters and Brothers in Christ,

During Catholic Schools Week, we give thanks for the gift of Catholic education and the dedicated teachers who nurture both the minds and hearts of our young people. Our Catholic schools are places where faith is lived each day, where the Gospel shapes learning, and where children are known, valued, and supported within a strong community of families, parish, and school.

Today, I wish to invite you to prayerfully consider a vocation to teaching within our Catholic schools system. Teaching in a Catholic school is more than a profession; it is a ministry. It offers the opportunity to live your faith openly, to partner closely with parents who are deeply engaged in their children's education, and to belong to a community grounded in shared values, hope, and service.

I extend this invitation especially to pre-service teachers discerning their future, and to those currently teaching in the public system who may feel called to bring their gifts and experience into Catholic education. Your talents, faith, and commitment can make a lasting difference in the lives of young people. Information on opportunities within our schools can be found on the Manitoba Catholic Schools website.

May we continue to pray for our teachers and for those whom God is calling to this vital work. I ask you to listen to that call with generous hearts and trust in the Spirit's guidance.

With every blessing,

+ Albert LeGatt

***REMINDER* Archbishop LeGatt Video – Come, Prince of Peace!**

Only a few weeks into the new year, war, violence, and turmoil dominate the headlines. The message of Christ, the Prince of Peace, has rarely felt more urgent. Yet, history reminds us that such moments are not new. This month, Archbishop Albert reflects on how we, as Christians, can respond to widespread turmoil: both at home and abroad. He invites us to acknowledge our powerlessness, while also calling us to prayer and meaningful action, wherever we are able to bring about positive change. Above all, may we strive to be bearers of hope and peace for those around us, and work together to help build a more just and compassionate world.

Unveiling The Gospels

Understanding the four Gospels in depth can often be challenging, especially reading them back-to-back. This course, however, goes beyond simply reading the Gospels. Have you heard of the 18 Miracles in St. Mark's Gospel? The 5 main discourses in St. Matthew's Gospel? Did you know that tradition holds that St. Luke was not only a great writer but also a painter and sculptor? and that to understand St. John's Gospel one could really benefit from reading Genesis Chapter 1 and the 1st Letter of St. John.... come join us, you will not be disappointed!

Stewardship

February 8, 2026 - 5th Sunday in Ordinary Time

"Let your light shine before others, that they may see your good works and give glory to your Father who is in heaven." MATTHEW 5:16

The generosity of being a good steward of your gifts has a positive effect on people, and it is contagious! Good works encourages more good works. Generosity is a by-product of a grateful lifestyle. The more we recognize God's gifts, the more we want to share them. Good stewards recognize that God is working through them, and they don't put themselves above the people they have been called to help.
